- average weight per unit = 6 lbs.

Options Available

(see page B-5 for details)

- **SEC** - Security fasteners
- **LL** - For lead-lined door applications
- **LS** - Less shock-absorbing spring for special applications
- **N**- All stainless steel (non-ferrous) components for wet environments to prevent corrosion
- **T** - Jamb bracket is replaced with a threaded pivot screw and nylon washer
- **Special** - Contact ABH if the dimensions, hardware or specifications differ from what is shown on the template or if additional hardware is being used at the top of the door. A custom template and/or unit may be required.
- If using a closer, please go to our website and reference "ABH Overhead Holder & Stop Compatibility Chart" to determine possible conflict.
